

## NORD VINEYARDS

# Page Nord Vineyards

Napa, California

Located on a registered historic property, Page Nord Vineyards is known for its high-scoring vineyard-designate wines. Winemakers reserve specific rows and help guide custom (row by row) farming practices. Creek restoration efforts have protected the largest Napa River salmon tributary which borders the vineyard.

### SITE CHARACTERISTICS

- ❏ Located on the north bank of Dry Creek, south of Yountville
- ❏ Vineyards part of the Oak Knoll District
- ❏ Soils are Cole gravelly silt loams, drained by a gravel layer
- ❏ The region still benefits from bay fog to moderate temperatures, but afternoons are warm and clear

### SUSTAINABILITY

- ❏ Streambank erosion site restored with natural willow and rock structures
- ❏ Green Certified by "Fish Friendly Farming"
- ❏ Varieties selected for Pierce's Disease resistance; Edges planted to non-host natives
- ❏ Completely no-till floors with California native grasses

### PLANTINGS

- ❏ Syrah clones: 174, Phelps selection, Estrella River, and 525 on a variety of rootstocks
- ❏ Syrah plantings are 8' X 6', VSP
- ❏ Cabernet Sauvignon is a field selection on 110R and 5C rootstocks
- ❏ Cabernet planting is 12' X 3', split canopy
- ❏ Many per acre contracts, vineyard designations

**Nord Vineyards: Sustaining Napa Valley's legacy of world-class wine.**
